

Luscious Layers™ **Cake**

Gorgeous desserts that taste even better than they look! **Luscious Layers™** is a new line of layered cake that combines bold and contemporary flavors with craveable textural delights. **Banana Toffee Bourbon Cake** has layers of vanilla and toffee banana-date cake soaked in bourbon butter glaze, sandwiched between butterscotch flecked buttercream, and finished with butterscotch whipped cream and toffee crumbles. Made with all natural ingredients, this dessert is non-GMO, with no artificial flavors or colors. Dazzle your customers with this new and exciting Instagram-ready cake.

Features and Benefits

- All natural ingredients – non-GMO, trans fat-free, hormone-free dairy and no artificial colors or flavors
- Pre-sliced with 14 slices
- Thaw and serve for ease of execution
- Each dessert offers a spectacular towering visual presentation
- Fuses new flavor concepts with innovative presentation for eye-catching desserts that taste freshly-made
- 21% of customers would pay more for food that is free of GMOs and 23% would pay more for food not containing artificial colors and flavors¹
