Spreadable Feta Cheese

IMPERIAL

Contact your Sysco Marketing Associate for product details and availability.

Deliver authentic, bold Mediterranean flavor to any dish with **Block & Barrel Imperial Spreadable Feta Cheese**. Available in three varieties, this smooth and creamy spread is extremely versatile and can be served as an appetizer dip or can enhance burgers, sandwiches, flatbreads, or vegetarian offerings. Ready to use with trending flavors, this product will elevate your menu. Try it in these diverse flavors:

Classic: Smooth cream cheese blended with zesty feta for a classic Greek taste.

Rosemary & Basil: Classic feta flavor combined with peppery rosemary and the sweetness of basil.

Habanero Pepper: Brings the heat with a sharp-tasting mix of spicy habanero peppers and salty feta.

Features and Benefits

- Adds unique flavor and dimension to dishes across the entire menu; cross-utilize on everything from sandwiches and dips to compound butter and steak toppings
- Innovative and convenient twist on feta crumbles or brick that will differentiate your menu
- Labor-saving: ready-to-use with no blending or mixing required, simplifying back-of-house prep
- Create a customized flavor profile that is uniquely your own with the classic spreadable feta
- Feta is lower in fat compared to many standard burger toppings. Customers will perceive it as a better-for-you ingredient
- Feta is found on 34% of menus with a 4-year growth of 11% - growing fastest with innovators and food trucks¹
- Feta as a burger cheese is found on 4% of menus, growing at 20%¹
- Feta is found on 31% of fast casual/midscale/casual menus¹

Preparation & Handling

Keep refrigerated. Ready to spread/mix/fold/melt straight out of the tub; use a scooper or a spreader to serve. Can be served in both hot and cold applications. Can be piped directly out of the cooler or when tempered to room temperature. For use out of a squeeze bottle: combine 7 oz. spreadable feta + 2 oz. tap water; mix well.
