Vegan Cornettos

SYSCO
SIMPLY™
Plant Based

Contact your Sysco Marketing Associate for product details and availability.

Made with the highest quality ingredients and a traditional European layered texture, **Sysco Simply Plant Based Vegan Cornettos** are versatile across all dayparts. These Italian croissants are a delicious and appealing vegan pastry offering a delicate taste that is complementary to any dish. Completely free from all animal products, these plant based cornettos appeal to consumers seeking better-for-you offerings. Try them in two flavors:

Savory: A perfect mix of ancient grains such as bran, whole linseed, poppy, sesame and sunflower seeds.

Elderberry & Raspberry: Made with ancient grains such as rye, oat and barley with an elderberry and raspberry filling and crystal cane sugar glazing.

Features and Benefits

- Suitable for all consumers while catering to the specific dietary requirements of vegans and vegetarians
- Easy to prepare and ready-to-bake, goes right from freezer to oven
- Associated with the trending Mediterranean diet
- Available in filled and non-filled varieties
- Mediterranean is growing in menu flavor adoption; 24% of Fast Casual and 13% of Quick Serve restaurants feature Mediterranean foods¹
- 50% of operators are embracing plant based trends when developing new menu items²
