Sprouted Grain Breads

SYSCO
SIMPLY
Plant Based

Contact your Sysco Marketing Associate for product details and availability.

Take a bite into pre-sliced, all-natural **Sysco Simply Plant Based Sprouted Grain Breads** – a hearty, whole grain bread that truly delivers on taste. These sprouted breads do not contain any artificial colors. We go a step further to ensure the ingredients that go into these sprouted breads are free from both pesticides and synthetic fertilizers. This plant based bread is versatile across the menu, from breakfast and sandwiches to specialty diet offerings for vegans and vegetarians. Try the nutty, earthy flavor of sprouted bread in two varieties that are both made from sprouted grain flourless mash:

Oat Grain: A blend of sprouted whole wheat plus oats.

Wheatberry: A blend of sprouted whole wheat plus grains and seeds.

Features and Benefits

- Product is made with 27g whole grains per slice, appealing to customers looking for better-for-you options (Whole Grains Council)
- Vegan, vegetarian, and non-GMO
- Serve your customers with confidence; no artificial colors, pesticides, or synthetic fertilizers
- Convenient; ready-to-use from freezer with an 8-month frozen shelf life
- Natural and organic bread sales have grown 33% since 2016¹
