

## Stretch Poly Gloves

Sysco's Classic Stretch Poly Gloves combine the value of a poly glove with the form-fitting comfort of a vinyl glove. Sysco's Classic brand delivers dependable, quality foodservice products.

## Appealing. Satisfying. Dependable.

The **Sysco Classic** brand family includes an extensive selection, from pantry staples and fresh and frozen foods to prepared products and hundreds of other options. Sysco Classic brings the quality businesses crave and the range of choices customers demand under one brand, and delivers them both to you! More value for the price, with quality equal to or better than other national and leading brands — that's Sysco Classic.

## Getting the Job Done

- Our Stretch Poly Gloves are ideal for a variety of foodservice operations: food preparation, food handling, serving/catering, light cleaning, trash collection, and handling chemicals
- Our gloves have a superior fit and feel compared to the standard vinyl and poly counterparts
- Form-fitting and more elasticity than traditional poly
- Latex and powder-free to alleviate the allergy risks associated with a latex glove
- Excellent touch sensitivity
- Ambidextrous straight cuff
- Disposable gloves ensure that foodservice workers change gloves as often as needed to prevent cross-contamination

**Quality is more than a promise. It's assured.** You can always rely on Sysco to deliver consistent quality with every order. That's because we have more than 100 QA professionals committed to maintaining the most stringent standards in terms of food quality, consistency and food safety. That's by far the largest and most active QA department in the industry.
