

Sysco Classic Stretch Hybrid Gloves

Sysco Classic Stretch Hybrid Gloves are the ideal lightweight and elastic gloves for use when pre-portioning meals, serving or catering. Their unique diamond pattern texture offers a classic look while also adding grip when working.

Sysco[®]Classic

Sysco Classic Stretch Hybrid Gloves

Sysco Classic Stretch Hybrid Gloves bring the tight, elastic fit of vinyl gloves to a lightweight poly glove. With increased dexterity and added grip, these gloves offer features perfect for a wide variety of environments from serving tasks to food prep.

Sysco® Classic Stretch Hybrid Gloves

Sysco Classic Stretch Hybrid Gloves

These disposable Stretch Hybrid Gloves feature a skin-tight design for increased dexterity when working. They are ideal when less frequent glove changes are required, including anywhere from quick-service use to food prep. Each glove features a unique diamond pattern texture that provides added grip, perfect for fully grasping even the smallest ware in the kitchen.

Segments

- Cafés
- Delis
- Fast casual
- Food trucks
- Commissaries
- Restaurants/ bars

Applications

- Catering
- Buffets
- Food prep
- Pre-portioning
