

FIRE RIVER
FARMS®

Fresh Beef Patty

Serve a juicy, flavorful, great textured burger and save time and money with Fire River Farms Fresh Beef Patty. This convenient and versatile product is ready to cook to perfection – just throw on the grill and further customize with your own condiments, spreads and sauces.

Sysco Knows Fresh™

Delicious Defined

Whether served as a burger or as an ingredient in another mouthwatering dish, our extensive offering of fresh and frozen ground beef delivers on our promise—high quality and simply delicious beef and premium blends. Our rigorous standards of excellence extend from farm to fork with our industry-leading process of cold supply chain solutions to ensure the best plate on your table.

Fresh Beef Patty

Menu Idea

Use our Fresh Beef Patty to create a juicy bacon topped burger.

Features & Benefits

- Quality, USDA inspected beef
- Pre-portioned and multiple size patties available
- Chopped once, ground once for a steak-like bite
- Tender-form patty helps with shrinkage, flare-ups, cupping, and texture
- Stored and handled fresh for superior performance
- Produced with rigorous Sysco Quality Assurance requirements
- 100% Beef
- Reduce labor cost - easy to prepare
- Pre-formed, less product handling in the kitchen

Culinary Applications and Trends

- Nostalgia drives demand for a classic burger
- Create gourmet burgers with housemade sauces and unique toppings that will command higher menu prices, which will help boost checks
- Burgers are a great platform for ethnic flavors, and a bridge for customers to explore unfamiliar flavors and ingredients; try kimchi or harissa

Shelf life of 21 days from initial pack date

Quality is more than a promise. It's assured. You can always rely on Sysco to deliver consistent quality with every order. That's because we have more than 100 QA professionals committed to maintaining the most stringent standards in terms of food quality, consistency and food safety. That's by far the largest and most active QA department in the industry.
