

# Microfiber Foodservice Wiper

Sysco's Classic Microfiber Foodservice Wiper incorporates the latest technology to ensure a microfiber that is safe for bleach and quaternary ammonium compounds.

## Appealing. Satisfying. Dependable.

The **Sysco Classic** brand family includes an extensive selection, from pantry staples and fresh and frozen foods to prepared products and hundreds of other options. Sysco Classic brings the quality businesses crave and the range of choices customers demand under one brand, and delivers them both to you! More value for the price, with quality equal to or better than other national and leading brands — that's Sysco Classic.

# Microfiber Foodservice Wiper

## Sparkling Features and Clean Benefits

Featuring Quatguard technology to maintain Quat and Chlorine sanitizer levels

- Superior to traditional cotton cleaning cloths, our microfiber wipe offers a lightweight, low-cost option
- Engineered to provide physical bacterial removal of 99.9% using only water
- 50 cycle laundry wash test: no loss in fabric integrity, strength, wear or visual appearance
- One-third of the shrink of cotton wipers
- Easy to clean cloth: microfiber releases solutions easier –retains over 5X its weight in water rather than the material

## Applications Ideas

- Front of House
- Back of House
- Everywhere
- Wet or dry
- General cleaning
- Dusting
- Sanitizing

**Quality is more than a promise. It's assured.** You can always rely on Sysco to deliver consistent quality with every order. That's because we have more than 100 QA professionals committed to maintaining the most stringent standards in terms of food quality, consistency and food safety. That's by far the largest and most active QA department in the industry.
