

Snapper

Portico Pride Snapper is a lean, moist fish with a firm texture and a distinctive sweet, nutty flavor which makes it versatile for many flavor components from mild to intense seasoning.

Sysco Knows Fresh™

Today's catch, tomorrow's supply.

Portico Pride offers specialty fresh and chilled seafood items in a single high-quality tier. This brand is for discerning operators focused on quality assured seafood with a commitment to food safety. Portico Pride Seafood is selected and produced with integrity, care and workmanship that exemplifies the Portico Brand family.

Snapper

Menu Idea

Grilled snapper with sautéed vegetables

Features & Benefits

- Contains no added water or chemicals, which allows for better searing and results in minimal shrinkage.
- An ideal choice for the health-conscious. Snapper is a lean, natural source of protein with minimal amounts of saturated fats and carbohydrates.
- No thawing necessary, saves you valuable prep time. Comes chilled, not frozen. Ready to cook and serve.
- Find the perfect cut for your needs with a wide variety of options. Choose between everything from whole fish to boneless fillets.
- Sysco's unparalleled Point Source Inspection System ensures that your seafood is traceable to the source, delivering consistent quality and integrity every time.

Available Year Round

Quality is more than a promise. It's assured. You can always rely on Sysco to deliver consistent quality with every order. That's because we have more than 100 QA professionals committed to maintaining the most stringent standards in terms of food quality, consistency and food safety. That's by far the largest and most active QA department in the industry.

Culinary Applications

- **Snapper Veracruz:** Red snapper, onions, tomatoes, spicy chilies and fresh herbs served with white rice
- **Cajun Style Blackened Snapper:** Cast iron seared snapper with a spicy herb crust served with homemade remoulade sauce
