This brand is for discerning operators focused on quality assured seafood with a commitment to food safety. Portico Pride Seafood is selected and produced with integrity, care and workmanship that exemplifies the Portico Brand family.

# Atlantic Salmon

## Menu Ideas

Grilled salmon and vegetables

## Features and Benefits

- Contains no added water or chemicals, which allows for better searing and results in minimal shrinkage.
- Find the perfect cut for your needs with a wide variety of options. Choose between everything from whole fish to boneless fillets.
- No thawing necessary, saves you valuable prep time. Comes chilled, not frozen. Ready to cook and serve.
- Market sustainable seafood on your menu. Farm-raised to protect natural habitats and wild species populations.
- Sysco's unparalleled Point Source Inspection System ensures that your seafood is traceable to the source, delivering consistent quality and integrity every time.

Offers the robust, fresh flavor of salmon with heart-healthy protein and omega-3 fatty acids.

Quality is more than a promise. It's assured. You can always rely on Sysco to deliver consistent quality with every order. That's because we have more than 100 QA professionals committed to maintaining the most stringent standards in terms of food quality, consistency and food safety. That's by far the largest and most active QA department in the industry.

## Culinary Applications

- **Horseradish Encrusted Salmon:** Salmon with a golden panko-horseradish crust, topped with steamed asparagus
- **Spinach and Salmon Pin Roll:** Cream cheese, parmesan, spinach and herbs rolled and baked in a thin-cut salmon fillet
