

## Paper Cartons

Our Earth Plus Paper Cartons are a perfect solution for customers looking for upscale, environmentally responsible to-go packaging. Available in multiple sizes for any application, these sleek recyclable take-out containers will allow you and your customers to leave less of an environmental footprint.

Protecting the **Earth, Plus** delivering value.

Rooted in the 4 Rs (Reduce, Reuse, Recycle, and Renew), Earth Plus delivers affordable, eco-friendly solutions that are good for both your business and the planet. Including disposables, supplies & equipment, and chemicals, these everyday essentials help your operation run smoothly and responsibly.

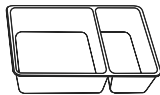

# Paper Cartons

**Your Earth Friendly Takeout Solution**  
Sustainable solution for takeout and delivery applications.

2-Compartment (SUPC: 4567273)

3-Compartment (SUPC: 4567263)

## Features & Benefits

- Excellent option for all customers, especially those focused on environmental responsibility
- Made from 100% recycled paperboard product
- Comes nested and fully assembled, ready to use
- Leak and grease resistant
- Innovative reverse lock out closure greatly reduces the need to tape or rubber band the cartons
- Closure allows for proper ventilation, reducing condensation while maintaining the integrity of the product inside
- Multi-compartment inserts available
- Microwaveable
