ECO-FRIENDLY MICROFIBER TOWELS

CentraSmart Eco-Friendly Microfiber towels are sustainable, as 50% of the yarn comes from recycled plastic bottles. The unique laser finished edge reduces frayed edges, making these towels long-lasting. CentraSmart microfiber towels come in packs of 12 and are 16" x 16"

PLANT BASED CHEESECAKE - NEW YORK STYLE

Your customers will love the use of wholesome ingredients, as this cheesecake is made with a custom blend of sustainably sourced dairy-free cream cheese and dairy-free sour cream, sweetened with natural cane sugar, and nestled in a traditional crust made from butter bean base and organic agave nectar.

PLANT BASED CHEESECAKE - CHOCOLATE

Your customers will love the use of wholesome ingredients, as this cheesecake is made with a custom blend of sustainably sourced dairy-free cream cheese and dairy-free sour cream, cocoa powder, natural vanilla, sweetened with natural cane sugar and nestled in a cookie crumble crust.

SPROUTED GRAIN BREADS

These next-level, whole grain breads are plant-based with no artificial ingredients and add a delicious, nutty and earthy flavor to sandwich, breakfast and brunch offerings.

VEGAN CORNETTOS

These traditional European croissants are certified vegan and make a great addition to a breadbasket, sandwich, or served on their own with sweet or savory spreads.

LUXE RAVIOLI

With on-trend upscale-worthy flavor profiles, this lighter, thinner, more delicate version of ravioli cooks in minutes and can be easily customized.

DESSERT MASHUPS

Mash up some of your customers' favorite flavors with these fun, creamy and delicious thaw-and-serve cheesecakes that will turn dessert into an experiential occasion.

PLANT BASED PROTEIN

Made of a superfood blend of oats, beans and peas, this versatile and unique ready-to-prepare plant-based protein is a great alternative to meat in your favorite recipes.
