FEATURES AND BENEFITS

Pre-baked, thaw-and-serve pies provide operators with labor savings and product consistency.

The eight pre-portioned slices per pie are separated by parchment paper allowing operators to thaw only what is needed for service and minimize waste.

Contains no artificial sweeteners, flavors or colors, which will appeal to a wide range of customers.

CULINARY APPLICATIONS

Spicy Apple Pie Milkshake: Sysco Classic apple pie blended with vanilla ice cream, topped with caramel and whipped cream

Apple Pie A La Mode: Sysco Classic lattice-cut apple pie served warm and topped with a heaping scoop of vanilla or cinnamon ice cream
