FEATURES AND BENEFITS

Sysco Imperial Pre-Sliced Blueberry Lemon Meringue Pie is made with sweet blueberries and zesty lemon parted by a flaky pie crust allowing operators to conveniently serve premium, flavorful pies.

Pre-baked, thaw-and-serve pies provide operators with labor savings and product consistency.

Slices are pre-portioned and separated by parchment paper allowing operators to thaw only what is needed for service and minimize waste.

The house-made appearance creates opportunities for customization and adding a variety of flavorful toppings.
