

Try the Ordereze Suite of Products FREE for 90 Days When You Sign Up Before 1/1/22

Without contracts or commitments, have access to the following items:

FREE WEBSITE

Take control of your online presence with a custom built website promoting your brand! Includes unlimited pages, menu engagement features, contact forms and much more.

Want to see what your Ordereze website would look like?

Ask us to build you a free concept!

FREE SOCIAL HUB

Manage your restaurant's presence outside of your website more efficiently with an all-in-one dashboard. Save time and frustration with tools that include the ability to post to multiple social media platforms simultaneously, manage reviews on multiple review sites, and more!

FREE MARKETING

Our talented marketing team will help promote your online ordering by creating social media graphics, setting up triggered text message/email blasts, as well as setting up promotional discount codes.

COST-FREE ONLINE ORDERING

Earn revenue without turning tables. Help stay afloat with an online ordering platform that can be operated and maintained with minimal hands on deck at NO COST to restaurants.

- ✓ Order Throttling and Inventory Management that put restaurants effortlessly in control of incoming orders and inventory — keeping operations seamless
- ✓ Curbside Pickup & Contactless Delivery
- ✓ Delivery integration with  **DOORDASH DRIVE**
(critical for restaurants that do not have their own drivers)
- ✓ Upsell-encouraging menu item features like photos and the ability to share and review items
- ✓ Automated emails sent after every online order that encourages the customer to review their menu items
- ✓ Email Marketing & Promo Code Generator Included
- ✓ Central Order Management app with thermal printer compatibility
- ✓ **(Coming Fall 2021)** Direct integrations with Square and Clover Point Of Sale systems

Use Promo Code: **FREE490**
