

Sysco Solutions Partners

Company Description:

DAR PRO Solutions, part of the Darling Ingredients family, repurposes used cooking oil and meat by-products across the United States into renewable biofuels, animal feed ingredients and other household and industrial resources. Alongside Darling's Canadian brand Rothsay, we build on more than a century of expertise and innovation to provide quality service solutions throughout North America. Among our food service customers are independent and brand restaurant chains, casinos, hotels, major airports and virtual kitchens.

Value:

DAR PRO Solutions specializes in comprehensive grease management solutions for restaurants nationwide. Whether you are an independent operator, national chain, or concerned about extra space in your kitchen, we have the equipment and service capacity to effectively handle all of your grease-related needs.

Advantage:

Our expertise and customizable equipment options will reduce mess, improve safety and ensure you never have to think about UCO handling again.

Product Offering:

Dar Pro restaurant service solutions will help keep your kitchens clean and profitable.
