Uber Eats

Exclusive SYSCO OFFER

22% FOR THE FIRST YEAR!*

Company Description

Uber Eats is an on-demand food delivery app and website that helps bring millions of people around the world the food they want, with just a single click.

Value

The demand for delivery is skyrocketing and the industry is changing fast. Uber Eats is helping 600,000+ restaurants get their food to more hungry customers using the Uber platform.

Advantage

Uber Eats' global average delivery time using the Uber platform is under 30 minutes. Speed and convenience matters when customers are hungry, and Uber Eats is able to get food to them quickly by connecting your restaurant with their large network of delivery partners on the road.

Product Offering

Uber Eats offers three ways for restaurants to serve customers: Customer Pick Up, Uber Delivery, and Use Your Own Delivery Staff. Choose the option(s) that best suits your business!
