- Create a signature dish by adding additional ingredients to make this chili uniquely yours.

BASQUE

in the Sweetness

Originating from the Basque country of Spain, Basque Cheesecake does not have a traditional crust. This cheesecake is baked at a high temperature to form a delicious, caramelized exterior that serves as a natural crust, which encompasses the entire cheesecake protecting the smooth, creamy interior. Crafted with real cream cheese, a touch of heavy cream, and cage-free eggs, our soufflé'd cheesecake is the lightest and most delectable of all cheesecakes.

- With only six ingredients, this better-for-you cheesecake satisfies the demand for simple ingredients products that consumers are craving.
- This unique dessert works well in a variety of applications from dine-in, off-premise dining, pairing options, themed events, catering and more.
- This dessert is perfect for busy kitchens and caterers as the product is thaw and serve requiring virtually no labor.
- Delicious as is, this cheesecake also allows you to create signature dessert by adding your own sauces or toppings.
- With four cheesecakes per pack, operators can thaw fewer portions to minimize waste and save money.

Dense, rich, and exceedingly moist, our extra virgin olive oil cake has a unique texture reminiscent of a timeless ride through the hills of Tuscany. Real lemon and orange juice and zest add a citrus punch, while also adding a bright color that allows our glaze to shimmer like an Italian sunset. This modern and rustic dessert offers the best of worlds with sweet and savory tones that will tempt and delight the taste buds of your guests.
