FEATURES & BENEFITS

Packed in six convenient two-pound bags for freshness, ease of storage, and efficiency of inventory cost control.

Present a new take on Chicken & Waffles without investing in new equipment or additional labor.

Promote repeat business and stand out from your competition with craveable Waffle Breaded Chicken Breakfast Sliders that will keep your patrons coming back.

Provides high-performance with smaller chicken pieces such as popcorn, nuggets, and tenders that requires less cook time in the fryer, making them an extremely fast appetizer, snack, or entree option.

The irresistible waffle aroma will appeal to guests across breakfast, lunch, snack, and dinner.

CULINARY APPLICATIONS

Spicy Waffle Chicken Sandwich: Hot sauce marinated chicken cutlets coated in Waffle Breeding and fried until crispy, dusted with chili powder, then served on a brioche bun with maple butter, lettuce, and pickles.

Crispy Waffle Chicken: Chicken thighs coated in Waffle Breeding and served crispy with mashed potatoes, brussels sprouts with honey for dipping.
