7173093 • 3/12 CT • 12"

[CLICK HERE TO SHOP](#)

Sysco Simply Plant Based Cauliflower Tortillas are great-tasting, gluten-free, vegan tortillas/wraps free of egg, dairy, and soy. They perform like traditional tortillas and are a better-for-you solution, as they are an excellent alternative for those customers who want to eliminate or limit gluten in their diet.

Cauliflower and broccoli are some of the best plant-based sources of choline.

## FEATURES & BENEFITS

- Made with 100% cauliflower, these tortillas provide a tasty, gluten, dairy and soy-free, kosher, vegan alternative to traditional tortillas.
- This better-for-you tortilla does not contain any artificial preservatives, flavors, or colors and is a product you can feel good about serving.
- These cauliflower tortillas are so good, you would never know they were a better-for-you option as they perform like traditional tortillas.
- Inspired by mindful eating and new dietary lifestyles, these tortillas provide a healthy substitute for all your tortilla-based recipes.
- Ready to thaw and cook, bakes in 1-3 minutes in a conventional oven, toaster oven or grill.

[CLICK HERE TO SHOP](#)

## FEATURES & BENEFITS

- These unique desserts offer nostalgic flavors that will appeal to customers of any age.
- Unique versatility allows operators to easily personalize these desserts with creative garnishes or serve as is.
- Frozen thaw-and-serve desserts provide operators with labor savings and product consistency.
- Minimal waste with pre-portioned slices separated by parchment paper, allowing operators to thaw just the right amount.

# So Good Sous Vide

## SOUS VIDE SIRLOIN STEAK

7086514 • 20/8 OZ

[CLICK HERE TO SHOP](#)

Lower costs without sacrificing quality with this convenient version of a menu favorite! Made from USDA Choice grade beef, it is pre-portioned, lightly seasoned, and pre-cooked to medium-rare in a water bath to precisely 135°F. It is then immediately individually quick frozen (IQF), making it ready to heat-and-serve for a consistently perfect steak every time. Operators can easily add their signature touch and eliminate the need for skilled labor in the back-of-house by incorporating this highly versatile product in center-of-the-plate entrées, all-day breakfast options, on top of salads, and more.

*Grilled Sous Vide & Squash Skewers  
with Chimichurri Sauce*

**FEATURES & BENEFITS**

- Decrease ticket times; simply thaw, sear, and serve.
- USDA Choice grade beef delivers a prime eating experience.
- Pre-portioning and precision cooking help avoid inconsistent serving sizes and overcooked meat, which decreases returned steaks.
- Ready-to-prepare product saves time and labor costs.
- Consistent and safe product as cooked under sous vide cooking method in USDA-certified facility.

Sous vide is a **FRENCH TECHNIQUE** using a temperature-controlled water bath that requires 7 to 10 hours of cooking time to achieve tender, juicy meat.

# Superfood

## Superfast

Suitable for any customer from vegans to meat lovers, this plant based protein will satisfy diners looking for natural, clean label products that taste great, too! Made of a flavorful superfood blend of oats, beans, and peas that has a "pulled" texture, this 100% animal-free product is extremely versatile across the menu. It comes pre-cooked to save your operation valuable time in back-of-house.
