FRESH IDEAS & INNOVATION

GARLIC & HERB MARINATED BUTTERFLIED *Shrimp*

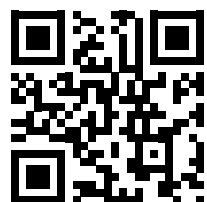

FEATURES & BENEFITS

- Deveined, butterflied, and pre-marinated with the shell intact for amazing flavor and visual appeal
- Labor saver – pre-marinated and already butterflied, this shrimp requires no skilled labor and saves on prep time
- Butterflied technique gives way to a larger surface area and creates more saucy pockets for the marinade, resulting in a more flavorful dish
- Goes straight from frozen to the flattop grill, oven, or sauté pan, no need to thaw, for fast speed of service
- Holds well on steam tables – ideal for catering and buffets
- Consistency – serve with confidence the same great product each and every time
- Less waste – individually quick frozen so you can take out and use only what you need

APPLICATIONS

- Fajita Platters
- Appetizers – serve with an endless variety of different dips and sauces
- Center of Plate – mix and match with different rice, grains, pasta, and vegetables to create endless options across multiple cuisine segments
- Great upsell to any entrée – add to beef, chicken, pastas, salads, and more
