Boneless Chicken Leg Meat Skin On

This all-natural, boneless, dark meat chicken is minimally processed, deboned by hand, and left skin-on to lock in amazing flavor and moisture. A unique, versatile, and cost-effective item that can be used as a center-of-plate protein or as an ingredient.

WHY WE LOVE IT

- ▣ **Innovative Cut** – Unique, flavorful cut not widely available in the domestic market.
- ▣ **Flavorful & Adaptable** – Performance tested and juicy when braised, smoked, grilled, fried, and baked.
- ▣ **Versatile** – Cross-utilize in entrée, ingredient, and handheld applications.
- ▣ **Skin On** – Enhanced recipe potential creates opportunity for golden brown and crispy texture.
- ▣ **Labor Saver** – Cleaned, trimmed, and recipe ready.
- ▣ **Reduces Waste** – Pieces are laid flat in layers to maintain integrity and make it easy to remove one at a time.
