

HALLOWEEN DESTINATION

TAKEOUT & SOCIAL MEDIA

HOST A HALLOWEEN COSTUME OR PUMPKIN CARVING CONTEST

Share with your social media followers early that you'll be hosting a costume contest or pumpkin carving contest and let the public cast their vote for the best dressed, most creative or spookiest costume.

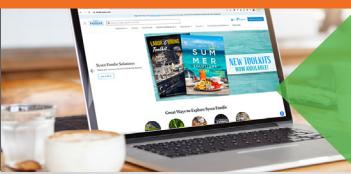

GENERATE TAKE-OUT ORDERS

Throughout the month of October, for each take-out order placed, attach a raffle ticket to the customer's order receipt, along with an announcement and instructions to hold onto their ticket for a raffle drawing that will take place on Halloween. Announce the winner through your social media page(s). The more orders placed during the raffle period, (be sure to set a minimum order amount), the more chances to win.

Secure your raffle tickets by placing an order on www.SuppliesOnTheFly.com
